New Year News

A Happy New Year to all.

In 2019 we will be running the Out and About Trips in a slightly different way.

As we have unfortunately had to let people down due to numbers, we are altering how we run the Out and About Trips.

These changes are great news for everyone as it means we will be able to run the trips with a minimum of 3 people meaning even smaller trips and groups will be able to go ahead.

As always we will be picking up from the door, so you don't need to worry about getting to meeting points.

It's easy to book, either call the office between 9am and 1pm. Or contact us via travelassistbookings@btconnect.com

Exciting times on the road ahead
