Autumn-Winter Newsletter

As we're moving into colder weather, our 'Out & About' trips are moving indoors, and we have moved our office!

We're on Sough Road now, alongside our vehicles, the phone number is the same and the service is the same.

Fun fact- The word winter comes from the Germanic *wintar*, the root of the word *wed* meaning 'wet' or water' and means wet season.... very aptly named.

Therefore, in order to keep everyone social, active and resisting the urge to hibernate, we're heading to places with indoor and warm options.

We've been given some great Lunch Club suggestions and we've chosen the most requested locations. So, if you're got somewhere you'd love to go, let us know!

Your feedback helps us decide the next set of trips. Everywhere we're going on this leaflet is due to passenger feedback, so keep it coming!
